Late 19th Century Antique Faux Bamboo Pine Chest of Drawers or Nightstand from England

This English chest of drawers was crafted with a faux bamboo exterior which was a style statement during the late 1800's. Balance with 2 smaller drawers over 3 larger drawers, it has been stripped down to the natural pine leaving a fresh, soft feel to the dresser. Perfect for a transitional, coastal or contemporary home, this chest of drawers is a great size for a nightstand and has been restored so it is ready for use.
