## Antique Late 19th Century Original Blue Painted Peg Leg Chair With Carved Out Heart

This delightful peg leg chair has a traditional heart shaped cut-out in the back, which brings to mind a quaint cottage in the European countryside. The original dark blue paint is accented by red, yellow and green folk art stencil/painted flowers and flourishes, also very traditional to this style of chair. Note the name and date of 1892 which indicates it may have been a gift or to mark a special occasion. This chair has been professionally restored and waxed so it is stable and ready to use. Any nicks, scratches, distress and signs of wear are due to generations of use and do not detract from the beauty nor function of this chair. Please enlarge and examine the close up photos to appreciate the charm of these side chairs. Seat height: 19"

Note: a second chair, sold separately is available if buyer is interested in a pair of these chairs.
