Vintage Pair of Brown Leather Wingback Arm Chairs

Whether you are ready to read a good book or smoke a cigar, these chairs invites one to sit back, relax and reflect. Vintage club chairs are highly sought after today making this pair a great find. This handsome pair of wingback armchairs is in good original condition and sit comfortably, snug within the traditional wing sides. Take a close look at photos to understand the warmth and wear of the leather. The leather seat has been worn down removing most of the brown color creating an aged soft vintage look with scuffs, scratches and stains consistent with age; crackles, scuffs and scratches are seen throughout as well (minor tear/s possible). Please examine the close up photos to appreciate the aged vintage leather. This pair of wingback leather chairs is sold in original used condition and is ready to be used and enjoyed. They will likely benefit from a leather conditioner which we leave to the discretion of the buyer. Seat height 20"
