Antique French Country Bleached Oak Sideboard Buffet With Carved Details

This 6 1/2' long sideboard shows off its French country style in the carved panels and lovely details along the skirt, door & drawer panels. The bleached oak finish gives it a fresh and welcoming look for today's modern home and it sits gracefully upon cabriolet feet. Please enlarge photos to appreciate the attractive carving along the skirt and original hardware including long hinges and escutcheons. Typical signs of cracks, nicks, scratches, etc are commensurate with age as seen in photos. This sideboard is solid/stable, the drawers function and is ready for use. One key is included for locks and to use as a "pull."
