## Pair, Early 20th Century Vintage Leather Barrel Back Club Chairs from Denmark

Sit back and relax in this pair of wonderful vintage leather barrel back club chairs. The rounded arms and tufted backs are accented with piping and covered buttons which are all in place. There is age related wear to the russet colored leather including typical scratches, scuffs and cracking (especially on arms where one would rest ones hands) as seen in photos. While the leather will benefit from conditioning it is in good vintage condition for its age. Scratches are seen on the wood feet and sagging can be seen underneath the seat. This pair of vintage leather club chairs sits comfortably and will be a welcome addition to a contemporary setting. Seat height 17".
