Antique Swedish Pine Gate Leg Drop Leaf Table

It is the wonderful warm pine that draws one to this gate leg table from the Swedish countryside. Any nicks, scratches, and small cracks reflect the generations who have sat, dined, worked and conversed over this table. The drop leaf feature allows it to be used in a variety of ways and would be perfect behind a sofa as a slender console table. While closed, the depth is a mere 8.5", but it opens to extend in length to 58" wonderful to pull out for extra dining or party time. This drop leaf table has been professionally restored and waxed so it is strong, stable and ready to be used. Please inquire if you have any questions or require further information about this or other items in our collection.
