Antique 19th Century Swedish Biedermeier Yellow Birch Sofa Settee

Drama and elegance combine in this lovely example of Swedish Biedermeier craftsmanship. This stunning antique sofa is made from polished yellow birch that seems to glow with life. Notice how the dramatic, large rolled arms are formed and curve outward, while the back has carved flourishes that accent the arms and dramatic feet. Please take a moment to enlarge the photos and examine the striking details up close. Age-related wear includes scuffs, scratches, missing beads to skirt trim, spring loose to seat, etc. This item is sold in as is, original used condition.
