Pair, Demi-Lune Tables Painted White, Sweden Circa

This graceful pair of antique demi-lune tables are from Sweden. Note the slender tapered/fluted legs and lovely skirt with applied carving. Both these side tables are finished with a newer, professionally applied layered white painted finish. They have been gently distressed to compliment their age and Swedish styling. This beautiful pair of small demi-lune tables has been restored and the tables are ready to be placed and enjoyed. Any scratches, dings, old wear are commensurate with age and do not impact the function nor appeal of this lovely pair.
