Antique Swedish Tabouret Stool Painted Light Gray

Swedish tabouret from the late 1800's. This enchanting stool is made with turned armrests or handles on each side accented with applied rosettes as well as turned legs. The soft dove-gray paint has been lightly distressed adding an aged grace to the stool as well. The seat has been recently covered in a tacked/stapled woven linen fabric which can easily be re-upholstered at the discretion of the buyer. Any nicks, chips /chinks(on one lower leg), scratches etc. are commensurate with age and do not detract from the beauty nor function of this stool. Solid and stable, this stool is functional and ready to add an elegant touch to your living space. Seat Height: 17"
