Tall Antique Gustavian Mirror Painted Gray from Sweden

This 6' tall mirror is made even more striking due to the newer, professionally applied grey painted finish which accents the decorative side carvings. Please enlarge photos to appreciate the texture of the white and gray paint blended together creating a rather romantic appeal to this lovely mirror. Any nicks, aged-separation, scratches, are commensurate with age and do not detract from the beauty nor function of this tall mirror. It is strong, solid and ready to be hung. Please inquire if you have specific questions regarding condition prior to purchasing this or other items in our inventory
