Antique Oak Rococo Blue Painted Secretary Bureau from Sweden

This oak rococo secretary reflects the grace and class of Swedish styling in the early 1800's. The dramatic serpentine drawers with curvaceous front add a romantic touch, all resting on solid block feet. The traditional interior with 8 unique, small drawers and central "cubbie" offers perfect space to organize. It was later professionally painted with an exceptional blue painted exterior complimented by a soft dove gray interior, updating the look while adding to the classic Swedish styling. Fully restored, all drawers function, desk top is solid and ready to be used and enjoyed. A single key is included to use as a "pull" for the desk top. Please enlarge photos to appreciate the incredible painted finish distressed perfectly to fit the age of this attractive secretary. Built in two sections, Total depth 36.5" when opened. Any age-related cracks, distress, signs of wear are commensurate with age and do not impact the beauty nor function of this striking secretary or "bureau."
