Vintage Mid Century Modern Brown Leather Three Seat Sofa from Denmark

At almost 6' long, the tall back of this mid-century modern sofa creates strong presence along with the classic clean lines of the timeless style. The three loose cushions that comprise the seat are removable, along with the back and neck pillows. Each of the three headrests have the original velcro (which has heavy wear). Light traces of wear to leather include typical scuffs, scratches and creases. Legs are made of solid dark stained beech wood by Danish furniture manufacturer. This sofa is in good used condition and ready to be used and enjoyed. Sits low and comfortable with seat height at 17".
