Large Antique Rococo Oak Chest of Drawers With Blue Painted Finish Circa 1800's

This impressive large oak chest of drawers is quite dramatic thanks to the (newer) blue professionally applied painted finish accenting the Rococo curves and cabriolet feet. Please examine photos to appreciate the beautiful layered painted finish, perfectly distressed to reveal the natural wood below. Any cracks, wear, separation is commensurate with age; in particular cracks in the bottoms of the oak drawers. The case is sturdy/strong, drawers function, etc. Please refer to professional photos to clearly understand finish, details, condition, etc.
