Antique Swedish Country Birch Biedermeier Secretary Desk Bureau, Sweden circa 1840-60

Birch Swedish country biedermeier chest of drawers that also serves as a secretary or bureau.

Upper cabinet interior holds petite drawers and cubbies typical of a secretary, while the central square door has hand-carved flourishes adding to the refined elegance of this desk.

The large, lower 3 drawers open using a key as a "pull," which was traditional for the era.

Restored, ready to be placed and enjoyed. Any nicks, scratches, distress or signs of wear are age related and do not detract from the beauty nor function of this chest of drawers.

Sweden, circa 1840-60

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
