Antique Rococo Large Oak Chest of Drawers Painted Yellow, Denmark Circa 1800's

Large rococo oak chest of 4 drawers with serpentine front resting on cabriolet feet. The four drawers each have 2 brass pulls and key hole bracket.

Newer professionally applied layered paint of burnished yellow, with undertones of brown and gray that create an overall muted tone. Top painted in a contrasting black, entire chest lightly distressed to fit the age and character of the chest.

Restored, drawers function and case is solid/sturdy ready for use. Any nicks, scratches, signs of wear are reflective of years of wear and use and do not impact function.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
