## Pair, Gustavian White Painted Demi Lune Side Tables Consoles from Sweden, circa 1860-80

Pair, gustavian demi-lune side tables or consoles.  
Gently tapered fluted legs topped by decorative carved florette.  
Newer professionally applied layered white painted finish, slightly distressed to fit age and grace of the tables.  
When placed together, the two demi lunes make a circular table of 48" diameter.  
Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this pair.  
Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
