Antique Baroque Small White Painted Chest of Drawers, Sweden Circa 1760

A decorative small Swedish baroque oak chest of drawers or nightstand resting on cabriolet feet.

Painted in a professionally applied newer white layered finish, softly distressed.

Three functioning drawers each with two brass pulls. One key included, however, locks do not function.

Restored and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this small chest. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
