

## Green Painted Sleigh With Brass Bells, Sweden circa 1890

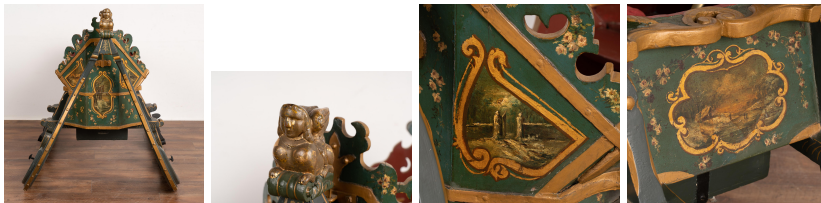

Highly decorative and elaborate green painted single horse drawn sleigh. Pictorial gold trimmed panels, flowers, and a gold painted griffin crowning the front are just a few of the elements that make this sled such a special find.

A red velvet covered seat in rear for the driver and brass bells adorn the front. Strong and stable, this sleigh will now make an impressive decorative accent piece.

Any scratches, cracks, dings, or age related separation are reflective of generations of use and do not detract from the beauty nor function of this rare original painted sleigh.
