Original Painted Brown Bench With Storage, Hungary Circa 1900's

Original hand painted folk art pine bench displays traditional brown faux wood background and colorful floral motif along back.

Hinged bench seat opens to reveal interior divided storage (slight raised lip to front left corner seen in photos).

Restored, cleaned and waxed, this bench is ready to use and enjoy.

Any nicks, scratches, dings, cracks are signs of wear and use and do not detract from the function of this bench which you can sit on. Interior bottom reveals typical age related separation and knot holes that have come out over time.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
