Original Hand Painted Small Cabinet, Austria circa 1800-20

The colorful painted finish is all original on this delightful small cabinet from Austria resting on tapered feet.

Tones of orange, red, brown, yellow, ochre and green are all blended in the hand-painted florals and flourishes that are seen throughout this small 2-door cabinet.

Restored, strong and stable. Key and lock both function in the right door.

Left door is secured closed with two different internal latches. Upper doors must be opened in order to open the lower drawer.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this special cabinet.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. This cabinet has more muted colors in typical room lighting vs the photos which have professional photo lights hitting it.
