Mid Century Three Seat Black Leather Sofa, Stouby of Denmark circa 1970

Mid-century modern Stouby three-seat black leather sofa; frame in beech with slightly curved side slats.

This comfortable sofa combines tradition with modern lines. The years of use are revealed in the aged patina of the leather, including impressions, creases, scuffs /scratches on each seat and back cushion which all add to the authentic vintage appeal of this MCM sofa made by Stouby of Denmark.

Cushions are removable, leather covers each have a zipper.

This sofa is in solid used vintage condition; sits low and comfortable. May benefit from leather cleaner/conditioner which we leave to discretion of buyer.

Seat Height:17"
