Pair, Carved Sphinx Garden Statues, France circa 1910

Pair of Egyptian sphinx carved limestone statues that embody a rich history and timeless charm each with the head of a human, body of a lion and wings of an eagle. The worn patina reflects years of exposure outside in the elements, leaving an aged pitted patina with lichen/stains throughout as well.

Any cracks, chips, stains, missing pieces are simply a reflection of age and use.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
