Antique Narrow Pine Trunk, Sweden circa 1920

This delightful narrow trunk came from the Swedish countryside. The pine has grown warm with a patina that comes only from the passage of years and use. Due to the depth of 14.5" this may serve well in more difficult to fit/tight areas. Restored, waxed, strong and stable, this trunk is ready to be used and enjoyed. All scratches, cracks, dings, gouges, stains or age related separation are reflective of age and do not detract from the beauty nor function of this lovely piece. Do refer to photo of top as it reflects the aged use well. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
