Tall White Painted Trumeau Mirror with Greek Figures, Sweden circa 1900

Tall decorative trumeau mirror with carved accents. Upper section portrays Greek figures against a blue painted background. The antique white painted finish is lightly distressed creating a refined grace fitting the age of the mirror.

Mirror glass is old, separation/crack runs horizontally as seen in photos.

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this 6' tall decorative mirror.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
